The BSAVA Manual of Canine and Feline Dermatology begins by providing the reader with a grounding in examination and investigative techniques. The second section of the manual provides a unique problem-oriented approach to the common dermatological conditions encountered in practice, including erosions and ulcerations, focal and multifocal alopecia and pruritus. There have been major and rapid advances in the field of veterinary dermatology since the first BSAVA Manual of Small Animal Dermatology was published. To reflect this, the second edition of the BSAVA Manual of Small Animal Dermatology has been completely rewritten. The use of British, European, Australian and American authors has led to the incorporation of the new international scope of ...
