Product Features... pretty Brocade pattern and ribbon detailing, this satin corset top ...Plus Size 10 Steel Boned Bustier Lace Straps Corset Tops -#23138. 1.10 steel boned bustier tops is made of satin fabric, comfortable to wear. 2.It can be worn as lingerie, or as a daring item of outerwear. Corset Tops help identify the male waist and help him feel sensual and comfortable with his body. Fashion designers have seen the trend and are developing more styles for men. Men's upper corsets are popular, as well as top satin tapestries. One thing is certain - a man dressed in a corset looks good and should be a hit with women. 36 Items. The Waist Reduction rating is the maximum waist reduction achievable of the corset. Just because a corset is rated to a 4 or 5" waist reduction doesn't mean you have to wear them that tightly, you have the choice between comfort & control.
