

Download Carrier Container Refrigeration Manual

Container Refrigeration Authorized Service Provider Network. With ongoing efforts to excel in container service and aftermarket parts support, Carrier Transicold is pleased to announce changes to our Authorized Service Provider (ASP) network structure for Global Container Refrigeration. The PrimeLINE® unit is a container refrigeration unit designed for world-class performance when it comes to energy efficiency, capacity, lifecycle cost and the environment. No refrigeration unit on the market today provides full-load performance as energy efficiently as the PrimeLINE unit. The PrimeLINE unit's efficiency is attributed, primarily, to its significantly advanced digital ...View and Download Carrier 40 operation & service manual online.
