

Download Deal Breakers When To Work On A Relationship And When To Walk Away

Great advice. I wish I had read this before I got married. Take it from me, after 6 years in a marriage to a man who can be defined by most of the aforementioned “deal breakers,” it doesn’t get better, he won’t change, and nothing you say or do will make a difference. How to Deal With a Difficult Spouse. Relationships are works-in-progress and require a few course-corrections to reach their full potential. If you and your spouse are feeling the impact of anger issues, poor communication or an inability... Hey, guess what? I got married two weeks ago. And like most people, I asked some of the older and wiser folks around me for a couple quick words of relationship advice from their own marriages to make sure my wife and I didn’t shit the (same) bed. Jonah's patience with his client was wearing thin. He'd just received yet another email requesting that the deadline be brought forward for the product he was developing for her company. "This wasn't included in the initial brief," he thought. "Even if I work around the clock or she increases the ...
