

Download Designing Pornotopia Travels In Visual Culture

Post is the second studio album by Icelandic recording artist Björk, released on 13 June 1995 in the United Kingdom by One Little Indian and in the United States by Elektra Records. Whereas Björk's previous album Debut (1993) was produced almost entirely by Nellee Hooper, Björk produced Post with collaborators including Hooper, 808 State's Graham Massey, and former Massive Attack member Tricky.
