HD DVR Receivers . HR24 . HR23 . HR22 . HR23 . HR22 . HR21P . HR21 . DIRECTV HR20 MPEG 4 - HD - DVR Review and Manual . HD Receivers . R22 . DIRECTV H20 HD MPEG 4 HDDome type RV satellite TV antennas are more susceptible to rain and dew than are the open face dish types because the water droplets accumulate on the dome itself.. All RV Satellite TV service is not the same across North America and this creates difficulties for RVers who travel widely.
