Badzinski] on Amazon.com. *FREE* shipping on qualifying offers. Virtually every human endeavor involves interpersonal communication. Newly authored by Steven McCornack and Kelly Morrison from scratch, this new The Essential Guide to Interpersonal Communication is a brief and inexpensive, supplemental text that can be packaged with any of our texts or purchased on its own. It is a good alternative for OER situations either for the interpersonal course or combined with other guides (like The Essential Guides for Group or Intercultural Communication) for larger survey courses. Designed as a companion to Schultze's successful An Essential Guide to Public Speaking, this inviting book provides biblical wisdom on critical areas of interpersonal communication: gratitude, listening, self-assessment, forgiveness, trust, encouragement, peace, and fidelity. Given the rapid rise and widespread use of social media, the book also integrates intriguing insights from the latest research on the influence of social media on interpersonal relationships.
