

Download Ge Aisys Carestation Anesthesia Machine Manual

In 2003, GE Healthcare acquired Instrumentarium's Datex-Ohmeda division which manufactured anesthesia, respiratory, and monitoring equipment. The Datex Ohmeda brand has remained popular in the marketplace and is still branded on select GE equipment. GE has continued to evolve these lines and indications are that GE is reducing the prevalence of the brand in favor of its own on newer models. Find your anesthesia workstation easily amongst the 288 products from the leading brands (Heyer Medical, Hersill, Siare, ...) on MedicalExpo, the medical equipment specialist for your professional purchases.
