Learning is more powerful when students discover the answers on their own rather than being given information by the teacher. This lesson presents a guided discovery lesson plan template to ...Program description of Cognitively Guided Instruction (CGI). The Programs that Work section of the Promising Practices Network (PPN) site features descriptions of evaluated programs that improve outcomes for children. PPN programs are organized by four major outcome areas, and sub-categorized by indicators within each outcome area. Programs are also categorized by topic area and by evidence level.

What Is Electrical Energy? Energy is the ability to do work, where work is done when a force moves an object. We need and we use energy every day, and energy is available in all different forms. ...

Christian meditation is a term for a form of prayer in which a structured attempt is made to get in touch with and deliberately reflect upon the revelations of God. The word meditation comes from the Latin word *meditari*, which means to concentrate. Christian meditation is the process of deliberately focusing on specific thoughts (e.g. a biblical scene involving Jesus and the Virgin Mary) and ...
