

# Download How To Make Yourself Miserable For The Rest Of The Century

Scientists call it the Naked Photo Test, and it works like this: say a photo turns up of you nakedly doing something that would shame you and your family for generations. Bestiality, perhaps. Ask yourself how many people in your life you would trust with that photo. If you're like the rest of us, you probably have at most two.. Even more depressing, studies show that about one out of four ...I would like to see another 20 reasons why modern women are so unstable and miserable, this article alone doesn't do the subject enough justice. A funny website filled with funny videos, pics, articles, and a whole bunch of other funny stuff. Cracked.com, celebrating 50 years of humor. February 2003 When we were in junior high school, my friend Rich and I made a map of the school lunch tables according to popularity. This was easy to do, because kids only ate lunch with others of about the same popularity.
