We would like to show you a description here but the site won't allow us. Option for right/left-conversion. Being left-handed is always difficult where the world is made for right-handed people. Therefore, the KaVo ESTETICA E30 is designed as a treatment unit that is equally well-suited for both sides. The KaVo ESTETICA E30 can optionally be switched easily in less than two minutes from left-to-right or right-to-left-handed operation. The highly portable KaVo NOMAD Pro 2, now under the trusted brand of KaVo—lets you gain all the reliability and efficiency advantages that every busy dental office needs and appreciates.
