In "Landscape Turned Red", Sears follows the Army of the Potomac from the retreat to Washington following 2nd Bull Run and carries it through the Confederate retreat back across the Potomac following the "defeat" at Sharpsburg. Combining brilliant military analysis with rich narrative history, Landscape Turned Red is the definitive work on the Battle of Antietam. The Civil War battle waged on September 17, 1862, at Antietam Creek, Maryland, was one of the bloodiest in the nation's history: on this single day, the war claimed nearly 23,000 casualties.
