Ehlert, L. (2000). Market day. New York, NY, San Diego, CA: Harcourt, Inc. It is a story about going to a market and what goes on there. It is told with folk art. I do not like the folk art. I felt like there was too much going on and I was not able to focus on one part of the pictures. I rate this book 4/5. It has some rhyming in it as well.
