

Download Married To The Business Honey I Love You But Our Business Sucks

Married women. I love f***** married women. I must have f***** more than a hundred women in my life and at least half of them were married. There is nothing like penetrating someone else' wife and, funny thing, they almost always let me f*** them without a condom. Some "faithful" wives refused to get their pants off, but..... sucked me off - women can have strange ideas about faithfulness. New readers, welcome to Dear Wendy, a relationship advice blog. Several months ago, I told my boss that I have feelings for Johnny and I are all about maximizing our savings, being financially prepared, and doing everything we can to make a few extra cents. So because of our mindset toward money, one would assume that we would have chosen careers that maximized our cash flow.
