The Mini Hatch (stylised as MINI hatch, or MINI Hardtop in the US), also known as Mini Cooper, Mini One, or simply the Mini, is a three-door or five door hatchback first introduced in late 2000, with a second generation launched in 2006 and a third generation model launched in 2014. A convertible version was introduced in 2004, with the second generation following in 2008. Mini (stylised as MINI) is a British automotive marque, owned by BMW since 2000, and used by them for a range of small cars. The word Mini has been used in car model names since 1959, and in 1969 it became a marque in its own right when the name "Mini" replaced the separate "Austin Mini" and "Morris Mini" car model names. We're proud to say that every pre-owned cherished used MINI we offer at Barons and Chandlers MINI is 100% approved by MINI and of the highest quality.
