The Porsche 944 is a sports car manufactured by German automobile manufacturer Porsche from 1982 to 1991. A front-engine, rear-wheel drive mid-level model based on the 924 platform, the 944 was available in coupé or cabriolet body styles, with either naturally aspirated or turbocharged engines.. Intended to be produced into the 1990s, major revisions planned for a 944 "S3" model eventually ...Amazingly, this 944 S2 still proudly displays its original paintwork, anybody who knows these cars, will know that this is almost unheard of. As you would expect, with the mileage covered, it does show a little bit of patina in places, but overall this example presents great, especially considering it has never had any restorations type works at all.All Porsche 944 Coupe (model 944) versions offered for the year 1988 with complete specs, performance and technical data in the catalogue of carsThere are 33 classic Porsche 944s for sale today on ClassicCars.com.
