

# Download Predicting Act Scores From Explore Test Results

This shows you how your scores compared to those of students across the country who took ACT Explore. In the example on page 3, the report shows 69% next to the sample student's English score. This means the sample student scored as high as or higher than 69% of students in that comparison group who took ACT Explore. The Explore doesn't act like the other pre-tests because the way the test is written and the "feel" of the test aren't remotely like the ACT. This isn't meant to belittle your score, but rather to inform you that the Explore means just about nothing in terms of success on future tests. Scores for the ACT Test How can I see my scores? When available, your scores are posted online and accessed using your secure ACT web account. Scores are processed and added each week, so keep checking in if you can't see yours yet. ... ACT will inform you by letter of the results of the score verification about three to five weeks after ...
