Real Madrid C.F. are a professional football club based in Madrid, Spain. In addition to their domestic success, Real Madrid's reputation as a major club was established by their outstanding record in the European Cup. To date, they have been crowned champions of Europe a record thirteen times. The world's 50 most valuable sports teams are now worth \$1.75 billion on average, up 31% from 2014. It was a good event but compared to the Goliath since I did Goliath two weeks before this race, I was honestly expecting waaaay better from Spartan because of the name and all the publicity and I can say I was very disappointed honestly. On the surface, Laguna Larga looks no different from any other small town in Argentina. It has an agricultural heart, a main square, two petrol stations, a school, a museum and two football clubs ...
