

Download Serial Number Guide Caterpillar

The format of the Serial Number Guide follows the standard practice of listing serial numbers either by a machine's make and model (and in some cases, Caterpillar being one, by serial number prefix) or by its manufacturer only when one set of numbers covers all categories and all models in a product line. This is a list of the prefix codes for Serial numbers used on caterpillar machinery that denote model & factory of manufacture. This is an incomplete list, which may never be able to be considered complete. Relevant additions are welcome and you can help by expanding it. Machine model codes...
