

# Download Stand By Me Film Teaching

"Don't Stand So Close to Me" is a hit song by the British rock band the Police, released in September 1980 as the lead single from their third album *Zenyatta Mondatta*. A well-done if very melodramatic film concerning a passionate math teacher (Edward James Olmos) who somehow succeeds in inspiring his students to learn calculus. Jaime Alfonso Escalante Gutierrez (December 31, 1930 – March 30, 2010) was a Bolivian-born American educator known for teaching students calculus from 1974 to 1991 at Garfield High School in East Los Angeles. Escalante was the subject of the 1988 film, *Stand and Deliver*, in which he is portrayed by Edward James Olmos. In 1993, the asteroid 5095 Escalante was named after him. ©2013 Film Education [www.filmeducation.org/teachingtrailers](http://www.filmeducation.org/teachingtrailers) TEACHING TRAILERS ONLINE: SPRING 2013 TEACHERS' NOTES INTRODUCTION Teaching Trailers Spring 2013 ...
