

Download Steve Jacksons Sorcery Khare Cityport Of Traps

The Nobles of Kharé are seven men who served as the Council of the cityport of Kharé before chaos befell them. They held some authority in the city, and they are the only ones who collectively knew the spell for the North Gate.. The Nobles were abolished after the events of Sorcery! 2: Kharé: Cityport of Traps. The Analander either let the cityport fall to the Goblin Army, creating chaos, or ...Lorag is a scholar who resided in Kharé. He is first met in Sorcery! 2 as the Analander traverses Kharé. Lorag is renowned in Kharé for having extensive knowledge about all matters, particularly sorcery and the gates of Kharé. He knows the third line of the North Gate Spell, and also possesses...
