Take a look at the coolest device that will make the best gifts for 13 year old boys!Dungeons & Dragons is a structured yet open-ended role-playing game. It is normally played indoors with the participants seated around a tabletop. Typically, each player controls only a single character, which represents an individual in a fictional setting. When working together as a group, these player characters (PCs) are often described as a "party" of adventurers, with each member often ...
