

Download The Sydney Opera House Building On A Dream

The Sydney Opera House is a multi-venue performing arts centre at Sydney Harbour in Sydney, New South Wales, Australia. It is one of the 20th century's most famous and distinctive buildings. Designed by Danish architect Jørn Utzon, the building was formally opened on 20 October 1973 after a gestation beginning with Utzon's 1957 selection as winner of an international design competition. The history behind one of the indisputable masterpieces of human creativity. The tale of the Sydney Opera House is one of breathtaking triumph, and also one of huge personal cost. The Opera House was born of a need its founders felt as urgent. Its construction was a bold, visionary exercise in nation building by a young, largely immigrant nation looking to define itself. The urgency was underlined by the fact that the first performance at the Sydney Opera House occurred long ... When in Sydney, don't miss the chance to watch the Australian Ballet Company light up the stage at the Sydney Opera House. Your Sydney ballet and dinner experience begins with a guided tour of the World Heritage-listed Sydney Opera House, and depending on your choice, is followed by an exquisite three-course meal at either Bennelong Restaurant inside the Sydney Opera House or Portside Sydney.
