

# Download Thinking About Social Policy The German Tradition German Social Policy

Conservatism is a political and social philosophy promoting traditional social institutions in the context of culture and civilization. The central tenets of conservatism include tradition, human imperfection, organic society, hierarchy, authority, and property rights. Conservatives seek to preserve a range of institutions such as religion, parliamentary government, and property rights, with ...For students who wish to study the complex interplay between political, economic, and cultural forces shaping the historic achievements and struggles of African-descended people in the United States and their relationship to others around the world. Social democracy is a political, social and economic philosophy that supports economic and social interventions to promote social justice within the framework of a liberal democratic polity and a capitalist mixed economy. The protocols and norms used to accomplish this involve a commitment to representative and participatory democracy, measures for income redistribution and regulation of the ...Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls.
